A NIGHT OF PRACTICAL PERSONAL RF MEASUREMENTS!

Join us at 19:00 on Wednesday, December 4th for pre-meeting social time 19:30 for the start of the meeting, club announcements, followed by our program. ***Please bring some holiday treats to share***

Doors open at 19:00, meeting starts at 19:30. Join us in-person as there will be no Zoom Meeting this month.

Bring any of *your ham radio equipment* and measure its performance specifications.

Courtesy of KF6WTN (Mark) the meeting room will be equipped with:

- **RF Generators**
- **Time Domain Reflectometer.**
- **Frequency counters.**
- **Digital voltmeter.**
- **RF dummy load and SWR measurement equipment.**
- **RF Sweep measurement equipment.**
- **Programming software.**
- **A Yaesu FM and C4FM capable repeater**

- Listen to the incredible audio quality of C4FM compared to FM VHF/UHF and DMR.

There will be demonstrations and equipment operating stations in the building.

- **A demonstration of the webSDR presentation remoted from PARC's Palomar Mountain site.**
- **A measurement station equipped with the instrumentation listed above. This station will let you *measure the performance of any of your ham equipment.***
- **A station where radios can be programmed with all the repeater information from San Diego County.**

If none of your equipment needs to be evaluated for specification accuracy or programmed, *please invite a friend.* Please extend an invitation to any licensee who can benefit from the tests and learn valuable ham radio knowledge.

DON'T MISS THIS PROGRAM!

Remember to bring holiday treats to share!

This presentation will be in person only at the Carlsbad Senior Center 799 Pine Ave #100 Carlsbad CA 92008. .

Upcoming Events

Yuma Hamfest Returns

San Diego Ham Radio Community,

Great news! After a two-year break, the Yuma Hamfest is set to return on February 14th & 15th, 2025.

The location and general plan for the 2025 Yuma Hamfest will be as it was in previous years. The venue will be the Yuma County Fairgrounds, on-site camping will be allowed with Thursday afternoon check-in, and the vendor hall will open on Friday at noon.

In past years, some San Diego-area hams carpooled to the Yuma Hamfest as a day trip, some overnighted one or two nights in a hotel, and others camped at the Fairgrounds for up to three nights.

The organizers are working hard to make this happen. Please be patient as they work to update the event website, line up speakers, and engage vendors.

If your San Diego-area club might be interested in volunteering as a group to help with some aspect of the event, please let me know. I will funnel your contact info to the event organizers. Many volunteers will be needed to make this happen. Please spread the word!

Volunteers Needed

If anyone would like to volunteer, please let Joe know and he will forward you name to Rob.

At this time they do not have details on the chores. In the weeks and months ahead, the Arizona SM intends to conduct Zoom meetings to get organized. If you would like to listen to the Zoom meetings before making a commitment, Rob will ask him to include you on the Zoom call invitations.
